PROTECTION
PROGRAM

Guaranteed Auto Protection (GAP)

GAP is a unique coverage program that protects new and pre-owned buyers/lessees from loss due to theft, accidents, fire and flood. Here's why: as your vehicle gets older, the actual cash value (ACV) declines, while your lease or loan balance may remain higher than what the insurance company will pay out. You are then liable for the difference between what the insurance company pays you and what you owe.

In other words, if your insurance does not cover the cost of your vehicle loss, **YOU HAVE TO PAY THE DIFFERENCE.**

Many people do not realize that they are responsible for that balance owed on the vehicle. GAP covers the difference between your loan or lease balance and your insurance settlement.¹ We even pay your deductible in most cases.²

GAP coverage provides real peace of mind.

HOW GAP WORKS

How GAP Coverage Works	With GAP	Without GAP
Actual Cash Value	\$33,000	\$33,000
Less Insurance Deductible	² (\$1,000)	(\$1,000)
Insurance Settlement Check	\$32,000	\$32,000
Loan Balance Payoff	\$42,000	\$42,000
GAP Benefit	¹ \$11,000	\$0
Actual Out of Pocket Expense	\$0	\$11,000

¹Difference between loan balance and insurance settlement check. Waives covered losses up to \$50,000 (the covered deficiency balance between loan balance and Actual Cash Value).

²GAP covers your primary auto insurance deductible up to \$1,000 (not available in Alaska). Maximum amount financed subject to state-specific regulations. Please refer to your GAP Waiver for additional information.

Please see your contract for the specific terms and conditions of coverage.
